Construction of the Westbank Group A project is scheduled to begin in late April 2018 and will last approximately 16 months. In general, the contractor will work from 7 a.m. to 5:30 p.m. Monday – Friday; however, there may be delays due to weather or other circumstances that cause the contractor to work later and on the weekends. Residents should exercise caution when driving, bicycling or walking near active construction sites.
